69 010 000	Motif punch: Fir tree, 3.81 cm ø	1 piece
89 598 00	Motif punch: Round	1 piece

Additionally you need:

33 396 00 Paper glue
Scissors, hole punch pliers

Instructions:

- 1 Fold down the top of the paper bags and punch fir trees along the paper bag upper edge. Important: the fir tree trunk must point toward the opening. Punch through both layers of the paper.
- 2 Cut strips out of the red paper (about 10 × 5 cm). Glue a few strips on the top of the opening.
- 3 Punch out fir trees from a few red strips (about 10 × 5 cm), then glue the fir tree-shaped motifs and punched-out strips onto the paper bags as shown.
- 4 Stamp the white paper, die-cut the shape and punch holes in it using hole punch pliers. Cut the twine to size and pull it through the tag.
- 5 Fill the bags and sachets, then close them with pegs.
