64 675 505	Wood tray, crochet bottom, natural	1 piece
35 047 535	Chalky, taupe-brown	½ tin
42 014 104	Braided Recycling yarn with gold thread, 4mm ø, ivory	1 spool
83 036 000	Suede scraps	2 scraps (8 × 9 cm) 1 scrap (9 × 2,5 cm)

Additionally you need:

22 987 000	Crochet hook set with rubber handle, 2-10mm ø
22 599 000	Professional ticket punch
	Scissors, ruler, cotton darning needle, paintbrush

Instructions:

- 1 Paint the wooden bottom with paint. Allow to dry.
- 2 Crochet double crochet stitches in the holes using yarn and a crochet hook while increasing one stitch at each corner.
- 3 Crochet around 3 rounds in double crochet stitch, working in the knit-look crochet stitch¹⁾.
- 4 In the 4th round, work 14 chain stitches across the center of both shorter sides, leaving the stitches underneath unworked. The resulting chain spaces will later form the carrying handles. Insert the starting chain into the edge once more and continue working in rounds, using double crochet stitches in the knit-look crochet stitch¹⁾.
- 5 In the last round, crochet double crochet stitches into the back loop only. Then cut the yarn and hide the yarn ends by weaving them in.
- 6 Cut the suede scraps to the required size, punch the holes using hole punch pliers, then place the two scraps measuring 8 × 9 cm around the handles and stitch the edges together. Using strands separated from the Braided yarn as sewing threads, firmly sew the small scrap in the middle of the long side.

¹⁾KNIT-LOOK CROCHET STITCH

Work double crochet stitches, but do not work into the stitch itself; instead, always insert the crochet hook between the two V-shaped legs of the stitch from the previous round.
