Instructions:

1 - 5 Roll out the salt dough to a thickness of no less than 4 mm, then use pastry cutters to cut out shapes.

6 Decorate the chosen motifs by pressing patterns into them with wooden skewers, then make a hole at the top of each one. Allow them to dry out, weighing them down with a flat object to ensure remaining them flat.

7 Cut the yarn to desired size and string the raw-wood beads on. Then attach to each pendant.
